Guangzhou City is well known amongst all sportsmen in the world because they hosted one of the most successful 2010 ASIAN GAMES known as XVI Asiad under the umbrella of the Olympic Council of Asia.

Now the year 2012 will witness one of the greatest bodybuilding extravaganzas in Guangzhou City from 20 - 22 September. The Guangzhou Weightlifting and Bodybuilding Association (GZWBA) is hosting this continental event sanctioned by the Chinese

Bodybuilding Association (CBBA) are doing their best to welcome all officials and athletes from all over Asia.

Tianhe Sports Centre is equipped with the entire advanced LED large screen and with central air conditioning system. Many international and local events were held in this modern stadium. Asian Games events were also held here. The new appearance of the Tianhe Sports Centre, in addition to its unique geographical advantages, will become even more by the international and domestic sporting events and cultural activities organisers and sports enthusiasts of all ages.
