

Africa Bodybuilding and Physique Sports Federation Join Federation of Africa Sports Universities (FASU)

President of the African Bodybuilding and Physiques Sports Federation and WBPF Vice President for Africa Ibrahim Bangura with the Executive Board members of Federation of Africa Sports Universities (FASU)

The Federation of Africa Sports Universities (**FASU**) has unanimously accepted the application for Africa Body Building and Physiques Sports Federation, ABPF affiliated to World Bodybuilding and Physiques Sports (**WBPF**) to be a full member of FASU. Bodybuilding will now be part of the FASU Games.

This happened during the President of the Africa Bodybuilding and Physique Sports Federation Mr. Ibrahim Bangura meeting with FASU Executive Board in Kazan, Russia during the World University Games. Mr. Bangura is also the President for the Sierra Leone University Sports Federation and Legal Adviser of FASU. He also had a meeting with International Universities Sports Federation FISU about the inclusion of Body building in the World University Summer Games, a future meeting with the executive has been schedule for a later date before the end of October 2013.
