during the weigh-in, it will put our sport in an awkward position. Please use tracksuits or a decent dress/jeans.

- At the parade of the nations, if you were to allocate female athletes, she should also appear in a tracksuit and not in a bikini.
- All female athletes are to be reminded that they are participating in a sporting event and not in entertainment venues like nightclubs, therefore, we should ask the women to change their behavior when they come on to the stage in the “walk-in” wiggling their rear ends or looking back into the audience when they stand in the quarter turn facing the back of the stage and stretching out their butt and winking at the judges and the audience. This is not a sports presentation, and it will be seen as sexual harassment by the public.

ATHLETES WITHOUT DELEGATES

All athletes competing at WBPF Championships must be members in good standing of their National Federations. Any athlete who arrives without a delegate must carry on the official letter of Authorization of Participation from his/her National Federation, failing which the athlete will not be eligible to participate.

FAILURE TO HONOUR THE FINAL ENTRY FORM DEADLINE.

Deadlines are set to assist the Organizer with arranging accommodations, meals, onsite transportation and other Championships activities. A failure to respect these deadlines is a breach of the WBPF rules. If a National Federation fails to respect the deadline written on the Final Entry Form, each "Official Participant" from that federation will be required to pay all of his or her own expenses, including accommodations, meals, onsite transportation, and access to the Pre-judging, Finals and Farewell Banquet.

MISREPRESENTATION

Misrepresentation is a serious breach of the WBPF Code of Ethics and occurs when an "Official" of a National Federation deliberately misrepresents the number of Athletes and Delegates to obtain free-of-charge accommodations, meals, onsite transportation, and access to the prejudging. Finals and farewell Banquet, and other amenities at the expense of the organizer. Part of this misrepresentation may be a false claim that a person is an Athlete only to have that so-called athlete fail to officially register as a competitor at the Weigh-In or, once having officially.

MEDICAL WITHDRAWAL

Once officially registered, no Athlete may withdraw from the competition, without the prior approval of the WBPF Judges Chairman, who has the right to verify the reason for the withdrawal. Any National Federation that fails to seek the prior approval of the WBPF Judges Chairman before withdrawing an athlete shall, for that athlete's non-participation, be fined an amount equal to the Special Package Rate.
